Falcon Software	ACCT-011	37	15	20,912
EliteWave Media	ACCT-010	67	14	13,120
MoonRise Entertainment	ACCT-077	57	14	1,011
PrimeCell Medical	ACCT-058	55	14	10,972
LakeView Software	ACCT-018	83	13	8,974
StoneHarbor Medical	ACCT-062	49	13	17,362
WestBridge Medical	ACCT-038	69	13	11,926

Finding: YieldMax Software (ACCT-041) tops the at-risk list with 334 support tickets, 63 of them negative-sentiment, against a \$40,722 deal value - the highest ticket volume of any account despite a mid-sized deal.

Business impact: A handful of accounts drive a disproportionate share of support load and negative sentiment, raising churn and renewal risk that isn't visible from deal value alone.
